

Priority Booth Selection Schedule

ASDSO provides priority booth selection to those who exhibited and sponsored the year before or intend to become a sponsor this year. We will be using the same format we began using in 2019, in Orlando, with the previous year's sponsors (Platinum, Gold, Silver, and Bronze) selecting, then the previous year's exhibitors, followed by open selection.

Please note - If you are intending to increase your sponsorship in 2024, or become a first-time sponsor in 2024, please contact Ross Brown at rbrown@damsafety.org and you will be able to select on your 2024 sponsor level selection date (i.e., if you were a Bronze sponsor in 2023 and want to become a Gold sponsor in 2024 you can select with the Gold sponsors or if you did not sponsor last year and are becoming a Silver Sponsor this year you can select with the Silver Sponsors).
